C.C. Marine #: 240-65280-3 LuxOr #: LED-FS65-2X8-BL

RGB Package includes 2 x IP65 weatherproof RGB (Red, Green, Blue Output Colour) flexible lighting strips 8 meters in length. Also included is the LED-RGB-CONTROLLER RF multifunction RF (radio Frequency) remote controller.

C.C. Marine #: 240-65280-4 LuxOr #: LED-FS65-2X8-RGB

Encased LED's offer an extremely low profile, which allows the installer to hide the light source for a visually unique illuminated surface. Utilizing 5050SMD LED's LuxOr's flexible weatherproof strip lighting offers superior lumen output. Flexible IP65 rated flexible outdoor strip lighting can be cut to any length and are supplied with a 3M self-adhesive backing, which allows the installation to be simple, and tool free.
