

# EXOFLEX HOSE

## EXOFLEX HOSE

**ExoFlex Marine Hose is suitable for delivery of cooling water & exhaust gas.**

- SAE J2006 R2 LLOYD Registered Type Approved
- Temperature Range: -22°F to 212°F, Peak 239°F
- Black synthetic rubber tube cover makes it resistant to heat, salt water, ozone, and abrasion
- Reinforced with synthetic plies, steel wire helices make it strong & kink resistant
- Very flexible with a 1.5" x ID" radius
- Tighter corrugations to optimize the perfect clamp location

ORDER NO.	Mfr. No.	Coil Size
<b>116-254-0344</b>	Same	3/4" Exoflex Exhaust Hose, 12-1/2 ft.
