PLEASE NOTE NEW DATE!

Date: **December 17 – 19, 2012**

Location: Maine Marine Trades Association • Biddeford, ME

Class Time: 8:30 am – 4:30 pm

Class Description

This composites course is designed for boat builders and manufacturers. The curriculum includes marine composite construction, production and advanced manufacturing processes, structural details and hardware installation, quality assurance, and safety and environmental compliance.

Please be sure to bring your copy of the ABYC CBBC Certification Study Guide to class with you. If you do not have a copy please call the ABYC office at 401.990.4460. As with all ABYC certification programs, you must bring a #2 lead pencil to class for use during the exam.

Anyone caught texting or engaging in any sort of photography during the exam will be immediately ejected from the class. Candidates removed from class for any ethical violation will not be refunded tuition or test fees.

Tuition: ABYC & MMTA Members - \$525.00 • Non-Members - \$810.00

Confirmation: Only those students who are paid in full will be considered to be registered for this class. Upon receipt of payment you will receive an email confirming your slot in this class.

Cancellation Policy: Students who cancel are subject to a \$200.00 cancellation fee. This fee may be applied to a future ABYC class or seminar.
