PROVEN POWER. PROVEN RELIABILITY.

THE BEST-IN-CLASS EVINRUDE E-TEC 150-HP

Whether you pursue trophy fish or simply enjoy a relaxing cruise, there is no mistaking how much a high-performing, reliable engine contributes to a pleasant boating experience. Take for instance the Evinrude E-TEC 150 HP. It's the most compact, lightest weight and highest performing engine in its class – bar none. Read further to find out how the Evinrude E-TEC 150 HP leaves the competition in its wake and how the entire line-up of Evinrude E-TEC engines can enhance your boating experience.

TWO-STROKE TORQUE, EVINRUDE E-TEC EFFICIENCY.

In terms of sheer power, the Evinrude E-TEC delivers greater low-end torque because every revolution of a 2-stroke engine is a power stroke. To compete with our 2-stroke torque, 4-stroke manufacturers are fighting to increase displacement and shed pounds to come close to Evinrude E-TEC efficiency. For instance, the more refined, 2.6L Evinrude E-TEC 150 HP weighs 37 pounds less than the 3.0L Mercury 150 HP 4-stroke and achieves up to 14 percent more torque, with less displacement, from 2,500 RPM to 5,500 RPM. Evinrude E-TEC has unmatched power-to-weight ratio, which equals better handling, faster hole shot and more speed and efficiency.

150-HP WEIGHT (LB)*

LOWEST MAINTENANCE OUTBOARD, PERIOD.

4-stroke outboards typically require multiple dealer-scheduled maintenance visits, including oil and filter changes every six months or 100 hours (60 hours if used for heavy trolling). The Evinrude E-TEC never needs an oil change and has no dealer-scheduled maintenance for 3 years or 300 hours. It is simply the lowest maintenance outboard available, which means a lower cost of ownership and more time on the water.

FEWER PARTS MEAN FEWER HEADACHES.

With 195 fewer parts, Evinrude E-TEC engines are as much as 100 pounds lighter than comparable 4-stroke engines. Fewer parts increase engine longevity and can mean less chance that a component will break or wear out. The uncomplicated design of an Evinrude E-TEC features no intake or exhaust valves, cam shafts, pulleys or timing belts or chains to maintain or replace, providing the boater with practical peace of mind.

ROBUST COMPONENTS MEAN UNMATCHED RELIABILITY.

The Evinrude E-TEC SLE gear case is used on most of the Evinrude E-TEC V-6 engines through the 300 HP, and in the 150 HP application, it has been proven to be practically bulletproof. Evinrude E-TEC is the only direct-injection 2-stroke outboard engine available on the market today with the innovative E-TEC technology, which offers benefits that no other outboard engine can.

RUN IT AS HARD AS YOU LIKE RIGHT OUT OF THE BOX.

All 4-stroke outboards require a delicate and lengthy break-in period and 10-20 hour check. With Evinrude E-TEC, there is no break-in period or 10-20 hour check. The bottom line – Evinrude E-TEC offers the best power and performance, while having the lowest cost of ownership and being the easiest to maintain. So if you are in the market for a new boat or shopping for a new engine for your existing boat, consider the outboard that enhances your experience on the water, and inspires confidence when you're out there.

EVINRUDE E-TEC EXPERIENCE MORE BOAT SHOW SALES EVENT – NOW IS THE BEST TIME TO BUY!

Between December 17, 2012 and March 13, 2013 qualified buyers who purchase a boat package powered by an Evinrude E-TEC will receive a 6-year factory backed limited warranty (3-year BRP factory warranty PLUS an additional 3 years B.E.S.T. coverage). Qualified buyers who repower their boat with an Evinrude E-TEC can choose between a 5-year factory backed limited warranty (3-year BRP factory warranty PLUS an additional 2 years B.E.S.T. coverage) or financing as low as 3.9 percent, plus a free rigging kit. Or, they can receive a 6-year factory backed limited warranty (3-year BRP factory warranty PLUS an additional 3 years B.E.S.T. coverage).

We're Feeling the Love!

This past summer, our *I Love Boating* photo contest invited you to share with us your love of boating. Suffice it to say; we're feeling the love!

Well over 1,000 diverse and compelling images flooded our contest photo gallery on TorontoBoatShow.com. If a picture is worth 1,000 words, then 1,000 pictures speak *volumes* about why recreational boating is so popular in Canada that 38% of Canadians – that's 10.5 million of us! – go boating each year.

With so many enthusiastic boaters and photographers out there, it was difficult for our judges to select their grand prize winners and 10 honourable mentions. But they embraced the challenge, and the judges' top picks (shown on page 36) range from a wave-hopping wakeboarder's self-portrait, to the artistic stillness of a sleeping marina captured with long-release photography,

and an impish, water-winged toddler enjoying fun in the lake.

We had to select 13 winners, but each image sharing precious times spent with family and friends, new and old, on Canada's waterways and beyond, is a winner!

While not chosen by the judges, one that still strongly resonated with our team, is our show guide cover. Titled "Brothers enjoying the ride!" and submitted by sister Nancy Schlereth from Chatham, ON, it was taken at their summer family reunion, and clearly shows that a passion for fun on the water is something we never outgrow!

We hope you have as much fun as our cover's tubing brothers this coming boating season, and that our 550 exhibitors here at the Toronto Boat Show provide everything you need to complete the experience. We'll see you on the water!

Celebrate Boating Fun at The Lake!

An engineering marvel, the world's largest indoor lake for boaters is filled with more than one million gallons of Lake Ontario water – plus, plenty of action – and there is no better place to Put Some Summer in Your Winter than at The Lake!

Grab a seat on shore and relax, as professional wakeboarders and wakeskaters present an awesome display of aquatic acrobatics, with riders hitting the rails and testing their skills. Or join the fun and Discover Watersports with hands-on wakeboarding lessons, then demo your very own skills on The Lake!

Marvel at the skills of Duma, the famous wakeboarding and boat-driving dog, then climb aboard your own canoe, kayak, inflatable or paddle boat for a mid-winter ride or paddle around The Lake.

If you need to finesse your own on-water skills you'll find plenty of help at The Lake, from demonstrations with personal watercraft, boat-handling, stand up paddleboarding and rowing to canoeing and kayaking seminars and much more!

A mid-winter rendezvous by The Lake, could be exactly what you need to keep you going 'til spring!

 5:00 PM – 5:30 PM Inflatable Rides

Discover Watersports & Go Wakeboarding!

If you live in Ontario, the only place to go wakeboarding in January is the world's largest indoor lake for boaters! So check out the live action on The Lake or indulge your adventurous spirit and sign up for an exhilarating on-water experience!

You'll receive hands-on wakeboarding instructions "on shore" by expert instructors from Summer Water Sports, Canada's largest watersports school! Then take that learning right onto The Lake and try out your new skills behind the Sesitec System 2.0!

Make your way to the east entrance to The Lake (connected to Cottage Country) to sign up. Boards, dry suits and lifejackets will be provided. Start your year off with an adrenalin rush; just do it!

SUMMER WATER SPORTS: Established in 1995 and operating in Ontario at major resorts, Summer Water Sports is the largest

watersports company in Canada, has taken more than one million people waterskiing, and has performed more than 600 professional waterski and stunt shows for countless spectators. Led by Canadian show director Charlie Newlands of Summer Water Sports, and comprised of athletes, drivers, show directors, waterskiers, barefooters, wakeboarders and wakeskaters from Ontario's Muskoka region, Team Canada took home a bronze medal from the inaugural World Show Ski Championships, held in Janesville, Wisconsin, in September 2012.

JAY POOLE OF BUCKEYE MARINE WILL BE AT THE LAKE TEACHING WAKEBOARDING ON THURSDAY, JANUARY 17TH, FROM 4-5PM. JAY IS THE WATERSKI WAKEBOARD NATIONAL DEVELOPMENT TEAM COACH, AN NCCP MASTER LEARNING FACILITATOR, AND WAS NAMED 2011 COACH OF THE YEAR BY WATERSKI WAKEBOARD CANADA.

Winter Wake Fest!

RUSTY MALINOSKI

REED HANSEN

SHAUN MURRAY

GRANT ROBERTS

Catch jaw-dropping action on The Lake, with pro riders wowing audiences with their spectacular grinds, tricks, and flips! And be sure to come early to grab a seat when captains Shaun Murray, Grant Roberts, and their teams face off January 12–13 in the quest for the WWF cup, followed by captains Rusty Malinoski, Reed Hansen, and their teams, January 18-20!

SPECIAL APPEARANCES

Shaun Murray (January 12–13): Full of innovation and accomplishment, Shaun's pro wakeboard career of 18 years includes numerous Pro tour and World championship titles. He's been featured in wakeboard movies, magazines, and television pieces, created his own wakeboard instructional series entitled *Detention*, and is the star of his own video game, *Wakeboarding Unleashed*.

Grant Roberts (January 12–13): A solid rider who pops big and clean with lots of style, Grant is a member of Liquid Force's Obscura wakeskate team and has been tearing up the scene for the past few years. Riding for team Fox, he was a big part of the "Spine Project," and recently has been throwing down at the newest addition to the wakeskate world, Battle Falls. Grant held the Wakestock Pro Wakeskate title in 2010, was runner-up in 2011, and was a huge part of the Liquid Force BBQ BROdown this past summer.

Rusty Malinoski (January 18–20): From Humboldt, SK, Rusty learned to wakeboard at Stoney Lake, behind his dad's small outboard fishing boat, proving you don't need a big buck boat to get started. His humble beginnings have developed into a career highlighted with Pro Wakeboard Tour and WWC World Championships appearances. Rusty was the first wakeboarder to land a 1080 in competition, and is the first to record a landed 1080, twice. As of 2012, he has finished every season in the top ten. Rusty also stars in the hit MTV show *Wake Brothers*.

Reed Hansen (January 18–20): A five-time WWA World Champion, four-time Toe Jam Champion, two-time Transworld Wake Wakeskater of the Year, and 2011 Alliance Wake Rider of the Year, Reed is quickly becoming a legend to the sport at a young age. Recently, Reed revolutionized the industry with his Battle Falls invention – a System 2.0 developed in his own backyard that pulls riders from one manmade lake to the next, as they either go down a set of five stairs, hit a rail, or go up the water ramp.

MEET & GREET! AFTER EACH SHOW, DROP BY THE BOARDER PASS BOOTH E106 TO MEET THE RIDERS AND LEARN MORE ABOUT THE SPORT!

Let's Go Boating!

Whether you are new to boating, or an experienced boater longing for the return of the boating season, The Lake has a boat just right for you!

Find your way to the east entrance to The Lake (connected to Cottage Country) to sign up for a free boat ride. We offer a wide selection of boating options – from kayaks to canoes, paddle boats or inflatables, with life jackets provided by Helly Hansen, and easy boarding lakeside, compliments of EZ Dock, the official dock of The Lake!

You are now ready to Put Some Summer in Your Winter!

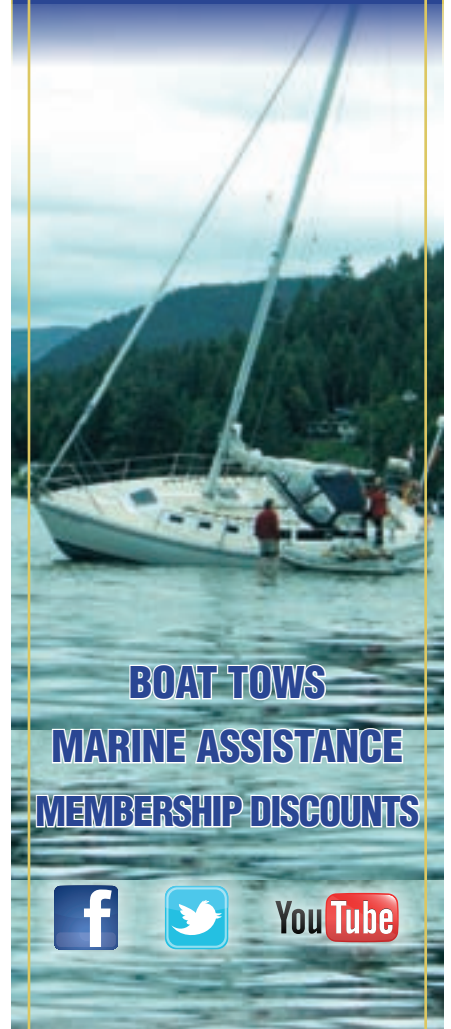

Before venturing out onto the water you might want to grab a seat onshore and broaden your boating knowledge and skills. An excellent assortment of pros demonstrate their expertise in boat-handling, stand-up paddling, boarding and rowing. Canoe and kayak seminars are also available. Or stop by the BOATsmart Canada booth for expert advice on boating safety, and how you can write the exam right at the show to obtain your Pleasure Craft Operator Card!

Canadian Parenting Experts

Weigh in on the Benefits of Boating!

ALYSON SCHAFER

BOATING PROVIDES WHAT EVERY CHILD NEEDS TO SUCCEED:

A lifelong, multigenerational boater, Canadian Parenting Expert and cottager, Alyson Schafer, discusses her own childhood as well as raising her children at a boat-only access cottage. She shares how these combined boating experiences have shaped her and her children and actually provided a valuable contribution to the children's development. In her presentation, Alyson reveals how boating provides the 4 "Crucial A's" every child needs to succeed!

Alyson presents Saturday, January 12th at 1pm in Salon 107.

CONFESSIONS OF BOATER MAMAS: Raising kids on the water has a lot of hidden benefits and requires some different parenting strategies. Come get a glimpse through pictures, stories, tips and advice of how these three prominent Canadian Mommy Experts and Boating Families make it all work!

The Boater Mamas – Alyson Schafer, Kathy Buckworth and Maureen Dennis – present Saturday, January 12 at 3pm in Salon 107.

ROSSITER 14, Aug. 2012

FEW BOATS ARE CAPABLE OF HANDLING MOTHER NATURE'S FURY...

Put any one of our three Rossiter 14' or 17' powerboats to your own test and we know you will be pleasantly surprised how relaxed you will feel in less than perfect conditions. It's easy to design a boat for calm waters, but when the winds pick up wouldn't you want to be able to enjoy your day on the water knowing you can get home safely. All Rossiter powerboats are built to the highest of standards, fit and finish, are self-bailing and unsinkable. They offer not only a soft, sure footed ride, but years of boating backed by a Limited Lifetime Warranty. *After all, they aren't just any powerboat, they are Rossiters.*

"Yesterday was a classic summer day a 10-15 mph breeze, our Rossiter 14 handled perfectly...which with our previous boat would have left our backs sore and teeth cracked from all of the pounding. Instead we just had grins from ear to ear..."

If you would like to consider putting your family in a Rossiter, visit www.rossiterboats.com, phone 866-251-3280, or better yet drop by one of our area dealers to experience or order a Rossiter built to your specifications and color as all Rossiter are, by hand, one at a time. **Come and visit us in Booth 1251.**

Congratulations “I Love Boating” Contest Winners!

Here are our three Grand Prize Photo Contest Winners
– who will each receive a \$1,000 Shopping Spree and boat show tickets

Laura Crowley, Peterborough, ON: “Wakeboarding”

The creative, “self-portrait” perspective and composition of “Wakeboarding” made it a resounding favourite with our judging panel.

Dan Bellyk, Sarnia, ON: “A Beautiful Summer’s Night”

Judges described “A Beautiful Summer’s Night” – taken at 3 a.m. on a warm summer’s night with long exposure – as breathtaking and definitely frame-worthy.

Brad Adams, Walsingham, ON: “Fun in the Lake”

The low perspective, close to the water, and employment of depth of field to focus on the little girl enjoying “Fun in the Lake” – while keeping the anchored vessels muted in the background – made this a winner with our judges.

THANK YOU to our esteemed judging panel!

- Amanda Comission, Associate Publisher/Editor, Lifestyle Integrated
- Craig Ritchie, Editorial Director, Premier Shows & Publications
- Greg McDowell, Owner/President, Ontario Sailor Magazine
- Heather Robertson, Digital Marketer/Boating Business Guest Columnist
- Mark Searle, Advertising Director, GAM on Yachting
- Norm Rosen, VP Special Projects, Taylor Publishing Group
- Tracey Hart, Director of Marketing, Discover Boating

Thank you to all who entered! The complete list of winners can be found on the contest page of TorontoBoatShow.com

STAY TUNED for our next photo contest – and great prizes to be won – in Spring 2013!

Discover a Career in Boating!

Do you dream of a career where you will be in demand and can work anywhere in the world? Do you appreciate working in a friendly environment where you can maintain a great lifestyle while building a rewarding career? It's time you considered a career in boating!

Boating Ontario, the association that represents recreational boating in Ontario, sustains an awareness and recruitment program called 'Careers in Boating' to address the relevant skilled labour shortage in the industry. The program website – www.careersinboating.com – is an informative source for information on the various skills shortages in the boating industry, and explores opportunities the industry has to offer.

If you are interested in pursuing a career in the recreational boating industry there are several things you could do – speak with a local marina or dealer and ask them about opportunities, or attend a boat show or boating event. You could also contact your local Employment Ontario office; check out the Boating Ontario job board and skills training section of www.boatingontario.ca; or contact the Boating Ontario office at 705.549.1667 or info@boatingontario.com for additional information.

Experience a career in a dynamic and exciting industry; pursue a career in boating!

Buy A Boat & Win \$10,000!

The Toronto International Boat Show is the best place to see boats and the best place to buy them. And anyone who purchases a boat (large or small) at this year's show qualifies to win \$10,000 toward that purchase!

Enter at the Show Office, Salon 103, by bringing proof of your boat purchase made at the show. It's as simple as that!

The winner will be announced Sunday, January 20, 2013.

Happy shopping and good luck!

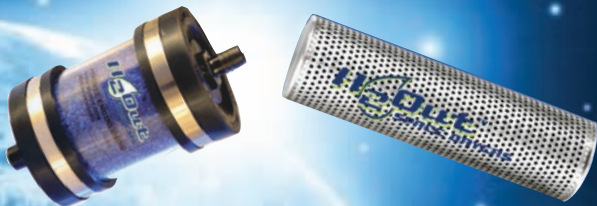

The 2012 winner of Buy a Boat & Win was Leslie Baker of Bethany, ON, who purchased a Smokercraft 172 Pro Angler from Gary Lewis of Port Colborne Marine. Shown here, L-R: Cynthia Hare, Toronto Boat Show manager; Ed Shiers, friend of winner; Leslie Baker, winner; and Andrew Templin, Port Colborne Marine.

Keep the whole crew happy.

Oh, they'll be smiling, all right. After all, what's not to love about a SunChaser? It's the perfect pontoon for fishing, cruising, or just dropping anchor and practicing cannonballs. With a full fiberglass console, rounded bow, recessed cupholders, and a changing room, this is one amazing, value-packed ride. So c'mon, dad. See your dealer for a test spin. Now look who's smiling.

Timeless Classics

The Antique & Classic Boat Society will have classic wooden and fibreglass boats on display to spotlight this country's rich and diverse nautical heritage.

Evoking cherished memories of past adventures, family traditions and history, these boats are a marvel of workmanship and detail that have paved the way for the innovative boats we enjoy today.

LOCATED IN THE GALLERIA LOBBY.

More Than 140 Free Seminars!

Hourly seminars at the Toronto Boat Show will entertain, educate and inspire novice and experienced boaters alike. Boating experts share their experience and expertise on everything from boating basics to spellbinding boating adventures – such as Jimmy Cornell's "Pacific Marathon," which begins with a cruise in Antarctica and takes us 15,000 miles north to Alaska and on to Vancouver. Whether it's sailing around the world or boat-buying basics, there's sure to be a topic that interests you.

Seminars take place at the Presentation Theatre and Salon 107. For the complete schedule see pages 46 to 49.

For the Great Canadian Fish Tank Stage Seminar Schedule see page 26.

Special Preview Night

CROWNLINE 19SX

The ever-popular Special Preview Night took place once again at this year's boat show, with more than a thousand boating enthusiasts turning out on Friday, January 11, to support children's charities – Ontario Sailing: Able Sail, Access BOOM Program; Toronto Star Fresh Air Fund; and CNIB Lake Joe Summer Camp.

VIP ticket holders previewed the entire show without large weekend crowds, and with one-on-one access to the show's 550 exhibitors.

Attendees enjoyed a spectacular array of delicious catered cuisine, visited drink stations located throughout the Direct Energy Centre, and enjoyed entertainment of live bands all evening long.

The night was a great success, with more than 100 live and silent auction items bid on, including the latest in marine accessories, gifts, sports and restaurant packages. The main attraction at the live auction was the sizzling powerboat package donated by Pride Marine Group and Crownline – a 19SX Sport Boat package!

Since 2000, the Toronto International Boat Show's Special Preview Night has raised more than \$585,000 for children's charities close to the hearts of the boating community.

Plan now to be among the first to see what's new for 2014 at next year's Special Preview Night!

Atlantic Challenge & Youth Boatworks

Atlantic Challenge programs teach sailing, rowing and traditional seamanship skills to youth, using replica naval gigs from the late 18th century. Programs have been offered in Canada since 1992 and there are now six longboats sailing throughout the country, located in Midland and Toronto, ON, and Quebec City and the Gaspé, QC.

Youth Boatworks operates the newest 38-foot Canadian Atlantic Challenge Gig, Diversité, complete with three masts and 10 oars on the Toronto waterfront throughout the summer, providing an opportunity for youth to experience the thrill of rowing and sailing.

Every two years, one of the 14 international member countries hosts an event and youth teams travel from around the globe with their boats to compete in an eight-day contest. In the summer of 2012, Atlantic Challenge Canada sent a boat to Bantry, Ireland, to make up a fleet of 15 longboats in the international event.

A stylized illustration of a sailboat on a blue sea under a bright sun. The sun is a large yellow circle with rays, positioned in the upper left. The sailboat has a white hull with an orange stripe and a white cabin. It has two sails: a large yellow sail on the left and a smaller orange sail on the right. The yellow sail is decorated with a grid of dark red circles, resembling pepperoni toppings. The sea is depicted with horizontal blue lines, and the sky is a solid blue.

“It’s V-Hull Handling on A Pontoon FootPrint!”

- Craig Ritchie, Boating Business Magazine

Scan this symbol to learn more about Sylvan pontoons. Get a free Microsoft Tag Reader from your phone’s app store, or at <http://gettag.mobi>.

Designed to fly. The experts agree — the revolution in pontoon performance is on. Sylvan’s exclusive Revolutionary Planing Technology slices through the water with sports car handling and runabout exhilaration. Its unique V-shaped tube provides more top speed per horsepower and dramatically improved fuel efficiency. RPT is designed to fly. And it’s only at Sylvan.

The All-New AR192

AR192

SX192

School, work, soccer practice, dance class, grocery shopping, traffic jams, mow the lawn, fix the sink, do the laundry, make dinner, hit the door running and off to the lake... And yet, at this moment, on this water, a deep breath. All of you together - it doesn't get any better.

The new Yamaha 192 series: supercharged performance, complete with Bimini Top, marine grade carpet, Clarion® stereo and trailer with swing-away tongue. That's the best-value package on the market, steeped in Yamaha reliability.
