

FOGGING OIL

CC ORDER NO.	Mfr. No.	SIZE
706-02721	272	340 g aerosol (14 oz.)
706-02751	275	4 L jug (1.06 gal)
706-02760	276	20 L pail (5.25 gal)

Professional Quality. Prevents engine corrosion during storage. Captain Phab Fogging Oil coats and clings to metal surfaces to guard against moisture, condensation and acidic combustion by-products that lead to corrosion during storage or idle periods. Resists fouling spark plugs for an easy, trouble free start. Can be used to protect any internal and exposed engine parts, linkages, etc.

APPLICATIONS:

- Marine - Inboard and outboard engines (2 or 4 cycles)
- RV's - Small engines, generators, pressure washers
- Recreation - Chainsaws, snowmobiles, ATV's, and lawn care equipment
