NEW TURNING POINT DEALERS ONLY

TURNING POINT PROPELLERS ADVANTAGES vs THE COMPETITION

- High order fill rates, CC Marine inventory backed up all season by Turing Point US based warehouses.
- Access to Direct Turning Point world class Technical Customer Support for fitment & application recommendations.
- Prop Wizard Configurator and literature that can make everyone a prop expert.
- Lifetime warranty on MasterGuard hub kits, includes damaged by impact.
- Reduce getting stranded with Turning Point hubs vs pressed-in rubber hubs that spin easily.
- Equal or better performance & better price value than OEM designs.
- Aluminum propellers that perform like stainless steel designs & 4 blade props that have 3 blade top end.
- Robotic industry 4.0 manufacturing processes resulting best in-class prop to prop consistency with.

NEW!
