

Tsunami Mk2 Manual Bilge Pumps

The only Manual Bilge Pump that Eliminates Air-locks.

- Patented X-Air™ Impeller ejects trapped air in the pump & pipework

The Easiest Manual Bilge Pump to Install & Service

- External mounting feet & integrated outlet reduces time & effort
- Service pump cartridge from hard-to-reach areas using only one hand

Flexible Outlets:

- 90° Rotatable outlet allows users to install the pump anywhere in a full 360° orientation

The Most Reliable Manual Bilge Pump in Freshwater Applications

- 40% better protection against water ingress & electrolysis - vs MK1
